EIGHT SPECIAL REASONS

of the Journal.

Which cannot fail to commend the Journal every class of the reading public. First .- Because it is the largest paper ever published in this county, and because it furnishes each week nearly three columns more reading than all the other papers combined.
Second.—Because it has a larger list of contributors than any other paper in Northern Ohio. Third .- Because it is in every sense of the word, "a live paper," "for live people."
Fourth. -- Because it is, in the broadest sense, fair and independent upon all subjects, whether Social, Religious or Political:

Fifth .- Because its articles are all to the point and its columns are not filled with long and prosy essays devoid of all interest. Sixth.-Because it gathers the news from all through its own special correspondents and re-porters, and condenses it into such brief shape as to present a reliable mirror of all that is going on in this and other countries. Seventh.—Because its Market Reports of Stock, Grain, Groceries, and Agricultural products, of home and foreign markets are always reliable. Eighth .- Because it is a paper for the Home

Circle-always having something for the young folks, as well as the old folks; something for the humorous as well as the thoughtful; something for the gentlemen as well as the laties; in fact, something for all tastes. \_\_\_\_
